

# Robert F. Kennedy: Investigate Bill Gates And His Depopulation Agenda

Robert F. Kennedy has been banned from most social media because of his calls for investigations of vaccine safety, Big Pharma and in particular, Bill Gates and his stealth eugenics program to vaccinate every person on planet earth. □ TN Editor

*For over twenty years Bill Gates and his Foundation, the Bill and Melinda Gates Foundation (BMGF) have been vaccinating foremost children by the millions in remote areas of poor countries, mostly Africa and Asia. Most of their vaccination program had disastrous results, causing the very illness ([polio](#), for example in India) and sterilizing young women ([Kenya, with modified tetanus vaccines](#)). Many of the children died. Many of the programs were carried out with the backing of the WHO and - yes - the UN Agency responsible for the Protection of Children, UNICEF.*

Most of these vaccination campaigns were implemented without the

informed-consent of the children, parents, guardians or teachers, nor with the informed-consent, or with forged consent, of the respective government authorities. In the aftermath, The Gates Foundation was sued by governments around the world, Kenya, India, the Philippines - and more.

Bill Gates has a strange image of himself. He sees himself as The Messiah who saves the world through vaccination - and through population reduction.

Around the time, when the [2010 Rockefeller Report](#) was issued, with its even more infamous ["Lock Step" Scenario](#), precisely the scenario of which we are living the beginning right now, Bill Gates talked on a TED show in California, "Innovating to Zero" about the use of energy.

He used this TED presentation to promote his vaccination programs, literally saying, ***"If we are doing a real good job vaccinating children, we can reduce the world population by 10% to 15%"***.

This sounds very much like eugenics.

Now Mr. Gates and his allies, including Big-Pharma, WHO, UNICEF, Dr. Anthony Fauci, Director of NIAID / NIH, a close ally of Mr. Gates - and of course, Agenda ID2020, are proposing to (force) vaccinate 7 billion people around the globe, with their concoction of a (so far) untested coronavirus vaccine. This is a multi-billion dollar bonanza for Big Pharma and for all those who support the vaccine. Nobody will really know what the vaccine cocktail will contain. [They intend to start with the Global South \(Developing Countries\) and then gradually move North \(Developed Countries\).](#)
