

Technocrat Fauci: Americans ‘Don’t Believe Science And They Don’t Believe Authority’

Dr. Anthony Fauci is a true Technocrat who hides behind pseudo-science while shaming, bullying and ridiculing anyone who dares to disagree with him. What American’s don’t believe is his phony-baloney pseudo-science. □ TN Editor

Dr. Anthony Fauci, the polarising director of the National Institute of Allergy and Infectious Diseases, slammed everyday Americans for refusing to go along with ‘authority’ on medical matters, and accused people of ‘amazing denial’ when it comes to ‘truth’.

Speaking on a podcast called *Learning Curve*, produced by the Department of Health and Human Services (HHS), Fauci charged that “unfortunately, there is a combination of an anti-science bias that people are — for reasons that sometimes are, you know, inconceivable and not

understandable — they just don't believe science and they don't believe authority.”

“So when they see someone up in the White House, which has an air of authority to it, who's talking about science, that there are some people who just don't believe that — and that's unfortunate because, you know, science is truth,” Fauci asserted.

“It's amazing sometimes the denial there is, it's the same thing that gets people who are anti-vaxxers, who don't want people to get vaccinated, even though the data clearly indicate the safety of vaccines,” Fauci proclaimed, adding “That's really a problem.”
